New Sub Policy: A team can only have a sub if they DO NOT have 7 rostered players to play the game. If a sub is necessary, there is no charge for 1st sub but if more than one sub is needed (max 8 players including subs) additional subs must report to desk and pay \$5.00 sub fee. The player will be given a receipt to give to the ref. We do not want subs taking a spot from players who have paid to play six games. We recommend you have 10 rostered players to avoid needing subs. If a team continues to come up short, or violates this policy (use a sub and have more than 8 players or do not pay for additional subs) they will not be able to play in future sessions.
