Sub Fee is \$10.00 a game and a team can only have enough subs to make 7 people at any game. If a person is found playing in a game who is not a rostered player or who hasn't paid a sub fee they will be ejected from the game. If it happens a second time that player will not be able to play in future sessions. If a team comes & does not have enough people to field a team it is likely that they will not be able to play in future sessions. We recommend you have 10 rostered players to avoid these problems.

Rules and General guidelines: No indirect kick, all penalties are direct kicks, no throw ins or off sides in indoor soccer.

Referee will blow a whistle if ball is out of bounds. Players has 5 seconds to place ball 5 ft from wall (side boundaries) or directly below ceiling at place where ball went out of bounds. If ball touches ceiling net after a kick or throw from inside the penalty area the ball is placed at the top of the arc.

A two minute penalty will be assessed on a player involved in any foul that is determined to be flagrant or violent in nature (detailed rules available at desk). If goalie is involved in penalty that should warrant penalty box time, Coach will determine on field player to serve penalty. Penalized player or substitute may reenter after next goal if prior to 2 minute penalty if exhausted. Coach and or parent supervisor designate will be required to leave facility if issued a Red Card or ejection from game. If player is unable to leave due to transportation concerns, he/she must remain in front lobby area of Fieldhouse. Red Line rule is in effect for all age groups and will be penalized by defending or attacking from spot of kick. If both Red Lines are crossed while ball is airborne, ball will be placed at spot of original kick on Red Line. Any flagrant penalty in goal box will result in a penalty kick for attacking team and direct free-kick from spot of foul for defending team. Non-violent infractions in goalie box will be taken on white goalie box line nearest spot of infraction i.e.: obstruction, delay of game, etc. Play On will be utilized to keep play moving and to avoid slow down.
